Steve and Friends create fun, educational, danceable kids music made for everyone. They explore a variety of styles from rock and roll to reggae to blues. 12 MP3 Songs KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Kid Friendly Details: Steve Dreher and Friends is a group of musicians who play original kids' music and lots of well-known favorites. Steve, Gavin, Chris, and Dave are all teachers. They began playing music together in 1998 and they've played on beaches, at birthday parties, and at music festivals. They work hard to bring out the kid in everyone. "Dinosaur" is the group's first CD, it explores lots of music styles. Kids love it because the songs are funny and full of energy. Parents love "Dinoaur" because it's good music. Beginning with the title track, it's clear that this is music is a step above; in addition to being terrific music for kids, it's lyrically fun and full of good-natured wit. The CD features everything from the bee-bop of "Piggy," to the reggae beats of "Aquarium," to some solid blues in "ABC Blues." The music is sometimes educational and goofy, but always a lot of fun. Give "Dinosaur in the Grocery Store" a try, it's sure to become a favorite!
