The Educataz' "Selfish" represents what happens when one of the greatest minds in Jazz produces a cd for three of the greatest minds in underground hip hop. 7 MP3 Songs HIP HOP/RAP: Hip Hop, JAZZ: Jazz Fusion Details: The Educataz are Adjectives and Whiplash on rhymes and DJ Idlhnds on the 1200's. Hailing from Bellingham Washington, the three rain soaked childhood friends switched from consuming to creating conscious hip hop music during their high school years and began performing at assemblies. The group felt it important to portray, through their lyrics, that young males have more on their minds than perpetuating materialistic stereotypes, however, this message is laced with a clever sarcasm. By promoting a shameless humility, the educataz quickly captured the hearts of the local Bellingham hip hop heads, and released the relevent ep in fall 2003. In an attempt to expand, in october of 2004, the group took their chances with middle America and traveled, via mobile home, from the northwest to the north east. The mission involved hooking up with Wesleyan University super producer Dave Ahl. In a short two months what was created was a magnificent new twist on a classic hiphop-jazz fusion. The east west collaboration produced the Selfish EP. Selfish is aimed at traditional heads who love original lyricstyles, and music lovers in general who will be unable to deny the brilliance behind this production.
