Smooth soul, R&B, urban sounds, funky grooves, jazz fusion and a little bit of subtle house. They are a dance act for your nightly movements in and out of the club. 10 MP3 Songs URBAN/R&B: Funk, JAZZ: Jazz-Pop Show all album songs: The Groove Avengers Songs Details: The Groove Avengers are a groovy set of individuals by the name of John Steen and Emma Pill. They are a throwback to the days of 70's funk and soul but with a 00's touch of hip-hop, r n b and some "flava" of house too. Their music is inspired from many walks of life, Ohio phat sound, New York ghetto funk, South London garage style and even some North London drum n bass. They are well-travelled and out to find the hidden groove inside us all. Watch out for The Groove Avengers, they are coming your way!!
