

Mp3 The Simple Groove - Coming Up Slowly

[DOWNLOAD HERE](#)

The Simple Groove's first full-length release combines raw and aggressive guitar, smooth vocals, and clever lyrics into an acoustic folk sound that captivates their listeners. 14 MP3 Songs FOLK: Modern Folk, JAZZ: Jazz Vocals Details: Tune in your folkin' ears to the sound of The Simple Groove. Formed in 2002 and comprised of James Thompson's acoustic guitar and the vocals of Chelsea Stiles, this duo delivers what many listeners describe as folky...with a little bit of jazz here and there...and a smidgeon of funk. "Coming Up Slowly" brings random moments, characters, emotions, stories, insects, and even weasels together into a sound that will make its listeners quiver with satisfaction. Buy this album right here, right now, and you'll discover a musical experience that will make you feel so at home with The Simple Groove, you'll want to wake up and eat pancakes. So, kick back, have a listen, and whistle your favorite track. Then, spread the word to your friends, your family, and your dog about your latest musical discovery.
