Nashville Country fused with California rock, folk and jazz influences. Stories of lost and found love, laughter, fun, and eternal friendships. 10 MP3 Songs COUNTRY: Country Rock, ROCK: Roots Rock
Details: The Wildcat Canyon Band is now on I-Tunes!! The Wildcat Canyon Band has been performing together for six years. They've played a huge variety of venues in Northern California, and have just released their first album, Teal Blue Truck. Teal Blue Truck is mostly country, part rock, and a bit of jazz, with lyrics everyone will love. Martha DeWolfe's soaring, emotive vocals suggest personality the likes of Shania Twain, with a presence that will grab you, pull you in and hold you close. The band members' rock, jazz and folk backgrounds fuse into a style that will make you want to snap your fingers, stomp your feet, and dance to the beat! See the reviews at the bottom of this page: - "Put it on the (holiday) list for sure." - "Almost perfect-Your Smile sends shivers!" - "The Wildcat Canyon Band is rocking now. Outstanding!" - "The Wildcat Canyon Band has a gift for everyone..." - "I really have enjoyed listening to the crisp clean sounds on this album." - "Discerning ears will delight in TEAL BLUE TRUCK." - "The songs are absolutely wonderful."
