Traditional christmas carols with a new age approach. 7 MP3 Songs EASY LISTENING: Background Music, NEW AGE: New Age Show all album songs: Memories Of Christmas Songs Details: There is one thing certain in life, all things change. Eighteen years ago, I recorded this Christmas album and released it as a cassette. I have played with many musicians and vocalists throughout my career, but this particular performance was my Mother's favorite. You could hear this music in our home even in the middle of the hottest summers and non stop from Thanksgiving to the end of the year. Fourteen years ago, my Mother passed away and I had been too heartbroken to listen to this music that she loved so dearly. With new found strength and resolve, I have not only listened, but remastered this timeless music to share with my family and closest of friends. If you have received a copy of this CD, consider yourself part of my extended family. With a ray of sunshine from above, a song in my heart and a smile on my lips, I wish you the Happiest of Holidays!! With much and continued love, Valarie
