

Mp3 Yavin 4 - Other World Technologies

[DOWNLOAD HERE](#)

Ambitious electronic soundscapes combined with modern D&B grooves and industrial edginess to create a unique electronic sound, similar to older Evils Toy and Haujobb. Offers a synthetic landscape of tightly programmed beats, modern electronic influences 15 MP3 Songs ELECTRONIC: Industrial, ELECTRONIC: Drum 'n Bass/Jungle Details: Hailing from Germany, Yavin 4 are the official side project of T.O.Y keyboardist Oliver Taranczewski and Stefan Voigt of future pop band PLASTIC. On "Otherworld Technologies" they deliver ambitious electronic soundscapes combined with modern D&B grooves and industrial edginess to create a unique electronic sound, similar to older Evils Toy and Haujobb. Overall "Otherworld Technologies" offers a synthetic landscape of tightly programmed beats, modern electronic influences and dancefloor industrial overtones - a great collaboration!
