In Alexandria Scott's spellbinding novel, a surprise bequest offers three women a fresh start in America, new hope, and the romantic adventure of a lifetime. Brooke Hammond crossed the Atlantic determined to make a success of the Louisiana plantation she inherited. Only one obstacle stands in her way—a devilishly charming, infernally arrogant obstacle named Travis Montgomery, co-owner of her estate. If Travis marries and produces an heir within the year, Moss Grove will be his—unless he marries Brooke. Seducing Travis and then sending him on his way should be simple, but the searing desire Brooke feels in his presence presents an unexpected complication. Travis took his father's dilapidated estate and turned it into a profitable enterprise, and no woman is going to claim it from him. So begins a contest of wits and will, where temptation and torrid kisses are the weapons of choice, and surrender the ultimate prize. But for two worthy opponents, winning the battle may mean losing everything that matters.
