

What Psychotherapists Should Know About Disability - Rhoda Olkin

[DOWNLOAD HERE](#)

This comprehensive volume provides the knowledge and skills that mental health professionals need for more effective, informed work with clients with disabilities. Combining her extensive knowledge as a clinician, researcher, and teacher with her personal experience as someone with a disability, Olkin provides an insider's perspective on critical issues that are often overlooked in training. A lucid conceptual framework is presented for understanding disability as a minority experience, one that is structured by social, legal, and attitudinal constraints as well as physical challenges. Illuminating frequently encountered psychosocial themes and concerns, chapters describe a range of approaches to dealing with disability issues in the treatment of adults, children, and families. Topics addressed include etiquette with clients with disabilities; special concerns in assessment, evaluation, and diagnosis; the impact of disability on sexuality and romance, as well as pregnancy, birthing, and parenting; the use of assistive technology and devices; disability and substance abuse; and more. Filled with clinical examples and observations, the volume also discusses strategies for enhancing teaching, training, and research. Author: Olkin, Rhoda Publisher: Guilford Press Illustration: N Language: ENG Title: What Psychotherapists Should Know About Disability Pages: 00368 (Encrypted EPUB) On Sale: 2012-04-06 SKU-13/ISBN: 9781572306431 Category: Psychology : Psychotherapy - General Category: Social Science : Handicapped Category: Psychology : Psychopathology - Compulsive Behavior
