Discover How To Perfect The Art Of Playing Records On The Decks! Have you always envisioned yourself playing all the best dance tunes in the club? Do you want to get started in the exciting world of being a DJ? As you probably know, there is a lot more to being a DJ than just walking into a club and then telling them that you want to start playing records on the decks. There are also different aspects to being a DJ as well. Some people dream of the club life while others simply want to entertain and start their own business that services events. Still others dream of radio stardom and the idea of becoming a radio personality. There are many things that you need to know before you can become a DJ. There is a lot more to it than just buying the right equipment and getting started. You have to have vast knowledge of music as well as what sounds work well together. You have to be able to entertain the crowd. On top of that, you also need to know where to get a job, how to get started before you land that job and start paying for your equipment and also how to promote your business. Being a DJ and spinning records on the decks is exciting, but you still need to have a head for business. You need to be aware of the opportunities that are out there for people like you and be willing to continue learning to perfect your trade so that you can take advantage of those opportunities. You also need to understand about contracts as well as musical licensing if you are planning on making it to the big time. Spinning records. Making sound.

Entertaining people. It seems so easy. But there is so much more to it than just a love for music, although no one should even consider becoming a DJ unless they have a vast appreciation for music. There is a lot more to know than the names of the popular songs and how to work a turntable. There is the artistic side of being a DJ, the personality side of being an entertainer as well as the business side of owning your own business. Even if you are working for someone else in a club, chances are that you will be employed as a contractor. You need all the information that you can get in order to be successful in this field. If you have always dreamed of being a DJ and spinning records on the decks but had no idea what it entailed or how to get started, then this is the book for you. *How To Be A DJ That Everyone Wants At Their Party...* Whether you want to just have your own part time DJ business or if you want to set those hot clubs on fire with your sound, this is the book for you!
