Almost Perfection by Lynn LaFleur Third in the Coopers' Companions series Brent Cooper loves his life. As one-third owner of Coopers' Companions, a successful male escort business, he has his pick of the most beautiful, sexiest women to take to bed. That's the way he likes it. He sees no reason to settle for a woman who isn't perfect. He wants nothing to do with Robin Howell when he meets her and discovers her scars. But Robin's warmth and courage-and the perfection of their lovemaking-soon shatter his demand for physical perfection. His love and Robin's courage are put to the test when a man from her past comes back into their lives. Stuart Holden believes Robin belongs to him. He's killed in the past to try to keep her. He won't hesitate to kill again.
