

Hobbes On Civil Association - Michael Oakeshott

[DOWNLOAD HERE](#)

Of Michael Oakeshott and his interest in Thomas Hobbes, Professor Paul Franco has written, The themes Oakeshott stresses in his interpretation of Hobbes are . . . skepticism about the role of reason in politics, allegiance to the morality of individuality as opposed to any sort of collectivism, and the principle of a noninstrumental, nonpurposive mode of political association, namely, civil association. Of Hobbes's *Leviathan*, Oakeshott has written, *Leviathan* is the greatest, perhaps the sole, masterpiece of political philosophy written in the English language. *Hobbes on Civil Association* consists of Oakeshott's four principal essays on Hobbes and on the nature of civil association as civil association pertains to ordered liberty. The essays are *Introduction to Leviathan* (1946); *The Moral Life in the Writings of Thomas Hobbes* (1960); *Dr. Leo Strauss on Hobbes* (1937); and, *Leviathan: A Myth* (1947). The foreword remarks the place of these essays within Oakeshott's entire corpus. Michael Oakeshott (1901-1990) was Professor of Political Science at the London School of Economics and the author of many essays, among them those collected in *Rationalism in Politics and Other Essays* and *On History and Other Essays*, both now published by Liberty Fund. Paul Franco is a Professor in the Department of Government at Bowdoin
