Singer Songwriter Anne Deming's experimental venture in taking her solo acoustic songs through the studio to add multiple layers of production and instrumentation -- into what some might call a more "commercial" release. 7 MP3 Songs in this album (24:18) ! Related styles: FOLK: Folk-Rock, POP: Pop/Rock People who are interested in Fiona Apple Sarah McLachlan Natalie Merchant should consider this download. Details: In 2002, Anne returned to the studio, teaming up with Brian Johnson and Scott LeGere of Echobay Productions (a team well known for producing songs for such artists as David Gray, Craig David, Cowboy Junkies, and Natalie Merchant). The team approached Anne with a producing deal where Anne recorded more than 30 songs acoustically. Brian and Scott then picked four of their favorite songs to produce and add more layers to the music as a showcase item for their companys services. Annes acoustic music took on a whole new style, and the finished EP, On Display is a CD that showcases Echo Bays vision for Annes music . . . with the original acoustic versions at the end.
