

## Mp3 Dan Grissom - What Was

[DOWNLOAD HERE](#)

Delicate, melodic, instrumentation with a heavy focus on lyrics. 6 MP3 Songs in this album (18:18) !

Related styles: FOLK: Modern Folk, EASY LISTENING: Nostalgia People who are interested in Leonard Cohen Bonnie Prince Billy M. Ward should consider this download. Details: "What Was" is a solo EP by Dan Grissom, lead singer and songwriter for the band some say Leland. It features a few some say Leland songs presented in a much more stripped down form, along with some other material that has never been released. "What Was captures a grace that is both delicate and luminescent." - Zoe Nicol - Austin Sound "Dan Grissom one of Austin's most direct and compelling solo artist, and this EP is a concentrated blast of pure beauty." - Summer in the City Music Blog
