Hard Rock with with a hint of progressive. Driving guitars and killer grooves fuel this album. 9 MP3 Songs

ROCK: Hard Rock, METAL: Progressive Metal Details: Eye Of The Storm (EOS) is a hard-hitting, heavy rock band that possesses a winning combination of passion, power and charisma. Their third release, Fall Into Grace makes it clear why vocalist Paul Sportelli, guitarist Craig Marcus, bassist Tom McNeill and drummer Tony Bienert comprise one the tri-state area's premier bands. Eye Of The Storm harnesses the energy of classic rockers like Led Zeppelin and The Doors, while focusing the intensity of bands like The Cult and Tool. This one-two punch of passion consistently provides fans with a truly unforgettable live performance, and always leaves them yearning for more. The release of Fall Into Grace marks a turning point for EOS- the band has truly hit its stride and is churning out songs that are both wonderfully and hauntingly melodic, while still charging ahead with a full hard rock onslaught. Songs such as, "Long Way Home" demonstrate the bands' ability to capture the universal emotions that link us all, while presenting them in a fresh, innovative manner. Since the band formed in 1991, they have been rapidly progressing towards their goal of nation-wide recognition. Their self-titled debut album received rave reviews from many notable industry publications including The Aquarian, Steppin' Out Magazine and The Music Paper. Their sophomore offering, F2 continued to demonstrate EOS's ability to adapt to an ever-changing musical landscape. With an onslaught of live performances played to packed houses the band continued to live up to its name- an ever changing musical storm sweeping across the northeastern US. Additionally their songs have been played on such popular radio stations such as WDHA's Home Grown Spotlight, WNEW's Metal Shop, WJRZ, broadcasting from Toms River, New Jersey, WRPR, broadcasting from Ramapo, NJ and Manhattan College Radio, based in the hardest rocking city in the world- New York, New York. If you'd like to get swept up in the storm, or if you are interested in booking EOS for a show,
