Tranz_fusion style. Blend of cosmic and ancient music. 21 MP3 Songs in this album (59:47) ! Related styles: ELECTRONIC: Experimental, WORLD: World Beat Details: DIMENSIONS Tranz_fusion style musical stories. Dedicated To Andrei Tarkovsky. You are going through different dimensions and becoming a Stalker with wisdom of appreciation for every moment of your life. Yes, there is a reason of Creation. Tranz_fusion is a way to make a quick picture of Reality (like a photograph) and transformation to the closest musical structure... While reading tribal epoch legends in grandfather's library I merged to powerful episodes with... music (like a movie soundtrack) and unite with World's big international family! Timeless and powerful like thousands years ago Music is a magical transformation of cosmic energy. It makes us stronger and sensitive to others because all beings are important to the Global Orchestra Of Reality! There are a real bridges between people and mirrors of the sounds and lifestyles! The more we know about past and traditions the better our future! Georgian folk polyphony literally demonstrates harmonic possibilities with particular dissonances. People with strong experience and discipline try to reach the Truth, but it's so difficult to deliver first impression of melody and harmony because our minds always keep looking different interpretations. Day or night, we can't escape the emotional wave of creativity and only hard work gives the desired results! International Projects The United World (Musical Stories) and Wizard Alchemy are a collaboration of cross generational multicultural musicians and artists. Our wish is to touch hearts and souls of humanity to inspire Universal Harmony and Good Will! The music is a fusion of ancient melodies and cutting edge modern electronic and tribal rhythms with an influences from entire World because we truly believe that values of all cultures will share the future on this beautiful planet!
