[DOWNLOAD HERE](#)

Original melodic Jazz, including Swing, Bossa, Samba, Waltz and Ballad Styles. Piano feature with Tenor, Soprano Sax, Flute with Acoustic Bass, Drums. Rhodes and Electric Bass on 2 songs. 13 MP3 Songs JAZZ: Traditional Jazz Combo, JAZZ: Bebop Details: George Mitchell has been pop superstar Diana Ross' first call pianist for more than two decades. Since 1980, he has accompanied her musical ensemble performing internationally, playing hundreds of concerts all over the world, as well as extensive touring throughout the United States. Mitchell's keyboard talents were featured in command performances for the Queen of England, and more recently at super concerts in Taipeh and Japan, with Ms. Ross and renowned opera singers Jose Carreras and Placido Domingo. He has made numerous appearances on top rated television show's including: The Tonight Show, Late Night with David Letterman, NBC's Today Show and Oprah. When not touring, Mitchell pursues his first love...playing jazz piano, B3 organ nad keyboards. From an early age, the Portland, Oregon native displayed a musical maturity and talent that landed him engagements with jazz legends such as Sonny Stitt, Philly Joe Jones, Richie Cole, Eddie Harris, Jon Hendricks and Kirk Whalum. From leader to sideman to sideman, Mitchell is always in demand. When he's not performing and composing, he is a highly sought-after studio musician and jazz piano instructor. Check out George Mitchell and you'll understand why he's not only the most talented and well respected musicians around, but one of the busiest.
