

Mp3 Grandbob - Wiggle And Waggle With Grandbob

[DOWNLOAD HERE](#)

Toe tapping, upbeat songs that are guaranteed to make even a grinch smile. All others beware. You might be caught up in the wiggling mood and grin a little too. 13 MP3 Songs KIDS/FAMILY: General Children's Music, COUNTRY: Country Folk Details: GrandBob is a gifted songwriter and popular children's music entertainer who lives in Nashville, Tennessee. His downhome, folksy melodies and catchy lyrics are as refreshing as chocolate ice cream on a summer's day. GrandBob's songs are kid-friendly, wholesome and positive, a welcome change from much of the violent and negative music that is presented to children today. But best of all, GrandBob's music is just plain good. GrandBob's first album, "Giggle and Grin With GrandBob," was nominated "Children's Album of the Year" by the Nashville Music Awards. His fourth CD, "Wiggle and Waggle With GrandBob" is a fitting follow up to that first classic. GrandBob is a member of the Family and Children's Entertainment Society, and the Children's Music Network.
