

Mp3 Ian Butler - Fog Bless Pacifica

[DOWNLOAD HERE](#)

A humorous musical tour of Ian's hometown of Pacifica CA. The songs were originally written for his Public Access TV show, "Laugh Locally". 14 MP3 Songs POP: Quirky, ROCK: Surf Rock Details: Ian Butler, what can be said about him that hasn't already been said? The music, the nobel prize, the supermodel wife, the uncanny ability to refer to himself in the 3rd person, he's simple done it all. And now he's applied his enormous talents to honoring his hometown of Pacifica CA, a simple little beach community near San Francisco. With a mix of parodies, original songs and even a Public Service Announcement, playing almost all of the instruments himself, is there no end to the man's creative genius? I think not. In fact, the only think greater than Ian Butler's singular vision, is the man's unmatched well of deep humility. Reltub Nai
