

Mp3 Inner Seeds - Grains Of Sand

[DOWNLOAD HERE](#)

This is the clean original compilation of inspirational Hip Hop, R&B, and Spoken Word. 14 MP3 Songs

HIP HOP/RAP: Spiritual Rap, URBAN/R&B: Soul Details: This Inspirational Hip Hop album has been released to the world of those who face real life issues and are looking for a change. Each artist has had personal challenges at have channelled them into helping others: From using Crystal Meth to Weed to Alcohol, you name it - physical disorders, epilepsy, brain surgery and beyond, the Inner Seeds have reached new heights of fighting against the odds. Lonliness, Emptiness, feeling abandond and aborted, temptations of giving up and walking away are all issues we face everyday and all too often, the battle is Lost. "Grains of Sand" is a motivater for each of us to not quit, not give up, and to hold your best friends and family close - you never know when you may need them. Inspired by God, carried by Spirit, and Held together in faith, the Inner Seeds are here to bring the messege of endurance - and they're here to stay. Be on the look out for future works by this young, up and coming group. "Grains of Sand" is one for the record books.
