

Mp3 John Kerr - Dying Till Five

[DOWNLOAD HERE](#)

Guitar driven, hardrock with a strange twist or two. 10 MP3 Songs ROCK: Hard Rock, ROCK:

Progressive Rock Details: Dying Till Five is the second solo release from Detroit native John Kerr. It features two outstanding veteran musicians from Louisville area, Steve Curtsinger Jerry McBroom. This CD continues to offer John's unique style of vocals guitar, but in a more punchy - radio friendly way. It Should appeal to a larger audience than Kissing Fish (John's first release). Dying Till Five combines the solid hardrock structure of today with a bit of the jam based guitar rock of the 70's. Although unique, it has a familiar edge to it. Similar to Smashing Pumpkins, Tool, Black Sabbath, or Led Zeppelin. Always focusing on a cohesive album, as opposed to a few hit singles, Dying Till Five again delivers on every track.
