

# Mp3 Kaw - Synthations

[DOWNLOAD HERE](#)

With the power of technology, synthesizers, and mood; KaW leads you through an exciting journey of Electronica genres: Dance, Techno, Trance, Happy Hardcore, and Drum And Bass. 20 MP3 Songs

ELECTRONIC: Dance, ELECTRONIC: Techno Details: Having Begun playing Piano at age 5 via the Suzuki method (by ear), Kyle Ward knew he had a passion for music. He soon integrated his love for technology through keyboards, computers, and all forms of percussion rhythm. Kyle Ward integrates all composing, mixing, and editing through his arsenal of electronics, synthesizers, and computers. While not composing and making music, he can be found enjoying life and being heavily involved in the entertainment industry. Kyle currently lives happily in Seattle, WA USA. - #1 selling CD of Ampcast-ampcast.com - Music Producer/Audio Engineer/Content Manager of "In The Groove" Dance game series (Arcade/PS2) - inthegroove.com
