Take a trip with KC "Down The River" from Memphis to New Orleans. KC's tunes dance through the Delta with all the groove and smooth the Deep South can muster--and Brother, that's a 'leven foot cotton sack full. 15 MP3 Songs BLUES: Funky Blues, BLUES: Jazzy Blues Details: I live in Mississippi 'bout an hour south of Memphis at the edge of the Delta. I used to live in New Orleans. I wrote some songs 'bout some stuff I know about that you might like to hear...I like 'em.
