

Mp3 Kiai - Happy Birthday (restaurant Edition)

[DOWNLOAD HERE](#)

Easy listening version with strings, piano and harmonies is a melodic alternative to the traditional birthday song. This restaurant edition has gender specific versions and announcements. An encouraging song for everyone, even those who dislike birthdays. 6 MP3 Songs FOLK: Folk Pop, POP: Delicate Details: Kiai has been a songwriter since age 16, recently producing her own songs with the generous help of John Robie and Louis Scalise. Born and raised in the Woodstock, NY area the arts have always had an influence in her growth as a musician from singing with the chorus to jamming with a few rock and jazz greats.
