With hit singles such as an up-tempo song making everyone scream her name entitled "What's My Name" and a song that everyone, from elementary school kids to great grandparents, can relate to called "Dem Hatahs". This youngster is hitting the scene with her best foot forward. Keeping her head in the books, on her music, and in God's hands, we see nothing but a promising future for this bright shining star. "Whats My Name" is a song that can get any party started. It has everyone calling my name. This chorus was originally written to have people remember the "K" is silent. My name is pronounced, "Knee-Ya". Now, whats my name! "Dem Hatahs" is one of the first songs I wrote. This is a catchy song with a nice beat, that speaks the truth. This is a song everyone can relate to. Everyone in todays society has at least one (1) "Hatah". That someone that dislikes you for the way you look, dress, comb your hair, the clothes you wear, your possessions or some just dont know why they dont like you. "The highlight of every show is receiving an adrenaline rush all performers get when they are on stage. Watching the audience actually enjoying the performance. Singing along, clapping their hands, and dancing to something I wrote. Its truly a wonderful fulfillment." - Knya
