

## Mp3 Kutthroat - Legendary Life Of Mine

[DOWNLOAD HERE](#)

One of the most feared MC's in Texas and the most respected underground producer nation wide. 15 MP3 Songs HIP HOP/RAP: Hardcore Rap, HIP HOP/RAP: Hip Hop Details: If you want to hear some real make from a different angle, then this is the album to bump in your ride or wherever you like to jam. Rapper/Producer KUTTHROAT is not shy about any topic or to say what he really feels. Every song was written when he was at the bottom of life, homeless. The entire album explains his most recent journey through the struggle and there is not one line that isn't truth, that's why he named the album "Legendary Life of Mine. Kutthroat is considered on of the most feared MC's in the south and has widely gain massive respect as a producer. He has won several underground battles and sold beats to numerous underground artists. This album is a definate satisfaction and is was labeled an underground 5 mic classic. Go ahead pick it up, you will not regret it. The new album from Kutthroat is scheduled to be released early 2005. He apologizes to all fans for the wait, but due to legal issues and several shady punks, Kutthroat changed the label name from Bomb Threat Muzik to "Street Hop Muzik". The new solo album is gonna be bangin and Kutthroat is sure to land a distribution deal by the summer. Also if you need some beatz, holla at us, and we'll make sure you get one of those Street Hop Beatz. Kuttrhoat's new album is called "Ilsickdefdopelis Maximus" and is scheduled for release in June. With 15 bangin tracks that's make mc's step their rap game up.
