Details: Laura Reed Deep Pocket are proud to announce the forthcoming release of, "Live at Tree Sound Studios" by Laura Reed Deep Pocket. The dual CD/DVD set is scheduled for release on October 28th. This dynamic record was recorded on New Year's Eve 2007 and March 9th at Pandora's Premier Event for their Music Genome Project (pandora.com). There are a total of five highly anticipated unreleased songs on this album as well as live versions of older favorites. "Live at Tree Sound Studios" features special guests Greg Hollowell and Derrick Johnson of Asheville Horns and Silas Durocher on guitar; the album was mixed by Paul Diaz and Wyatt Oates and mastered by Andrew Mendelson and Paul Whorley at Georgetown Masters. The DVD is a combination of live performances captured in the same session and footage from their 2008 touring adventures. The DVD was produced by Tree Leaf partner company TreeV Productions and includes road footage from LRDP's own Sam Katz (tour manager), music from DJ Kurfu, and graphics from Lear Bunda (Cartoon Network). This release marks the beginning of an exciting endeavor and well suited partnership between Tree Leaf Music and Laura Reed Deep Pocket. The band will be spending much of the winter months working on their next studio project with the entire Tree Leaf Team.
