Kelly Keith Sweat Gerald Levert should consider this download. Details: Whether its the look in his eyes, or the heartfelt soul within each note that he sings. Mirahj has the innate ability to capture the heart of each and every person who has the opportunity of listening to his music. Growing up, he was by nature outgoing at times and shy at others. Friends called him contemplative which ended up being an asset to his musical abilities, giving him a creative edge and a passion that can be rivaled only by the likes of some of the worlds most outstanding musicians. He loves the pace of life, and accepts its changes with enthusiasm. Both simple and complex, intriguing and spiritual, he constantly challenges himself with his thoughts, his creation of music is nothing less than breathtaking. His lyrics are soulful, intelligent, and passionate. He is eternally grateful . New Urban Soul, These are the makings of Mirahj. These are the makings of the music he creates.
