Fun rock from a group of high school freshmen. NA will beat your expectations with their songwriting musicianship and charm you with lyrics from their unmistakably youthful point of view. 4 MP3 Songs POP: Pop/Rock, ROCK: Garage Rock Details: Ready to begin? Nonsense Anonymous, a group of talented high school freshmen, sure are. Their debut EP is a somewhat diverse mix, from songs filled with typical teenage struggles to a song about pie, cake, and cheese. "Ready to Begin" starts off the EP with catchy pop hooks and lyrics oozing with teen angst - the kind that just can't be duplicated by graduates of adolescence. Following is "Just Call Me", a tight, punchy song that highlights the band's unified musical chops. It's short, sweet, and to the point. "Random" is well, there's no other way to describe it besides being nonsensically random. The EP ends with "Guitar Class", a witty anthem to high school electives that paints a picture so clear, you'll swear you're in the classroom. Overall, anyone looking to have an all-around fun time will definitely enjoy this EP from the young and talented Nonsense Anonymous. People who are interested in The Replacements Weezer should consider this download.
