Highly recommended for people who love music by No Doubt, Pat Benatar, or Alanis Morissette. This full-length album contains great pop rock melodies. To put it simply, this disc is modern rock and power pop combined and defined 12 MP3 Songs ROCK: Modern Rock, POP: Power Pop Details: NV enjoys a unique collaborative songwriting style that they have been refining since the group formed in April 2001. It includes driving, hard rocking drums, smooth and solid bass grooves, and heavy yet acoustically flavored guitars. Standing atop this instrumental modern rock foundation are hook driven power pop melodies. The result of this combination is a sincere, refreshing fusion new to the rock world. This band is based in Los Angeles, California. Don't Wait is the second recorded work and first full-length album by NV. This CD features the amazing vocals of Alyssa Ruschak. The recording also features incredible musicianship by Chris Sutor on Lead Rhythm Guitars, Rob Anderson on Acoustic Guitars, Mark Kelley on Bass, and Blake Paulson on Drums Piano.
