An adventure of eclectic music and song seamlessly fused to prove that diversity in various forms can truly co-exist. 11 MP3 Songs WORLD: World Fusion, ROCK: Progressive Rock Details: "Pieces of East" is an adventure of eclectic music and song seamlessly fused to prove that diversity in various forms can truly co-exist. After playing only for a year, the buzz of the group's fresh new sound quickly spread through their hometown of Austin, TX and the demand for recorded material reached a fever pitch. Their music caught the interest of renowned producer - Mark Hallman (Carole King, Ani DiFranco, Eliza Gilkyson) who was instrumental in making their debut album a local success. "Pieces of East" is getting ready to introduce their signature sound to the rest of the world as they embark on their first tour this summer. "Pieces of East" are two time Austin Music Award Winners in 2003 and 2004 for Best World Band and nominees in 12 diverse categories including Best Rock, Best Pop, Best None-of-the-Above and Best Record Producer.
