

Mp3 Roger Gorham - Don't You Know Why

[DOWNLOAD HERE](#)

This music would fall under, laidback jazzy blues with a touch of country 12 MP3 Songs POP: British Pop, COUNTRY: Country Pop Details: Roger M. Gorham Born 9/4/1951, Wabash, Indiana Began playing music at the age of 9 yrs old, 1st band at 11, playing bass and lead singer, ha ha, couldnt play the bass kept it turned all the way down and the lead player hit alot of low notes (alot of them) funny stuff!!!!,bands name was the Blackouts, we played alot of family lodges and partys, great hobby thru my teen yrs, after school and service moved to Macon Ga , met alot of southern musicians, started a band called Hard Luck, played all around Ga, Fl, Nc, Sc,for three yrs, i had always been one to write down everything about my life and turned them into songs cozz it was always such a good release from depression and reality, and good for the soul, played alternitive music for a few yrs with a band called Hybrid, played all over the northern states, I moved to South Carolina in 2001, where i met my wife, and married in 2004, began writing some new songs and thought i would record them, i met Mark Boston at Bomark studios and he was also a great bass player, thru Mark , i met Brett Short a very seasoned guitarist, i think one of the best, ironic as it was i had met him 30 yrs ago in Macon Ga, we kindled an old friendship and produced the 2 cds that i have now, Mark and Brett were a big influence with my music, they put the style to them, anyways thats me in a short nutcase .
