This CD begins with a slow gospel piece, goes into indigenous fusion and ends with a slow blues piece. 7 MP3 Songs WORLD: World Fusion, NEW AGE: Ethnic Fusion Details: This CD is a new style for SoundShaman, with gospel, indigenous fusion and blues. The idea came after reading Rumi's "Song of the Reed", beginning with a gospel piece "Show Me The Way". Next is the primordial soup of "Antediluvian", followed by a progression of "Awakening", "Chachapoyas" (the people the Aztecs referred to on Machu Pichu - the Cloud People). Next is "Dance of the Spring" which was inspired by the recording of a small spring Richard came across while hiking in the Missouri Ozarks, "Pahayokee Blues" with background sounds from the Everglades and ending with "The Blue Road" - a slow blues piece. Special thanks goes to Marvin Taylor of FiveFeathers Music for the licensing of groove tracks on "Show Me The Way", the last half of "Pahayokee Blues" and "The Blue Road".
