[DOWNLOAD HERE](#)

From the Broadway Bound performer by popular demand of her fans around the world, comes Wandah's first Contemporary Gospel CD with a flavorful mix of Jazz Caribbean Energy. 9 MP3 Songs GOSPEL: Contemporary Gospel, EASY LISTENING: Mood Music Details: Currently, Wandah Kay can be seen starring in FAME on 42nd Street (OFF-Broadway) until June 16, 2004. She is also co-starring in the new film, "Sacrifice," out this Fall. This Broadway Bound entertainer has electrified audiences in the National/ International Tour of "FAME The Musical," as Mabel Washington; In the International Tour of "Smokey Joe's Cafe," as the church Diva, B.J. It is by popular demand from our fans that we are pleased to bring to you Wandah's very first Contemporary Gospel C.D. entitled "It's Only Love." Already well received by her fans in the following countries: Norway, Russia, South Africa, Canada, Jamaica, Trinidad, The United Kingdom, Italy, and The United States. Originally from Detroit, now residing in Los Angeles, she has performed in various films. Currently, February 2004, she is shooting in the film, "Sacrifice", as well as singing three songs in the film. She can be heard singing with the Ricky Grundy Chorale on the Movie Soundtrack of "The Santa Claus," starring Tim Allen; A "Doctor Pepper" Commercial; And as Special Guest Artist on the 1999 Special Olympics. Not only does she act, sing and dance but she is a writer of poems and music. All of the songs on "It's Only Love" are written by Wandah Kay under her company God Bless yoU Productions. "It's Only Love" is meant minister inspiring music of a personal relationship with the LORD, not religion, for religion is of man and sets limitations on God's power and on man. A personal relationship opens doors to unlimited possibilities with the Almighty God, who is LOVE- Philippians 4:13 CONTACT INFORMATION FOR BOOKINGS: Betty McCormick Midwest Talent 4821 Lankershim Blvd. Ste.
