America's favorite investigative reporter, John Stossel, tackles our favorite myths in his characteristic style and challenges us to look at life differently. Myths and Misconceptions covered in the book include: Is the media unbiased? Are our schools helping or hurting our kids? Do singles have a better sex life than married people? Do we have less free time than we used to? Is outsourcing bad for American workers? Is suburban sprawl ruining America? Does money make people happier? Is the world too crowded? Were we drowning in garbage? Is profiteering evil? Do sweatshops exploit people? John Stossel takes on these and many more misconceptions, misunderstandings, and plain old stupidity in this collection that will offer much to love for Give Me a Break fans, and show everyone why conventional wisdom—economic, political, or social—is often wrong.
