Playing For Real Madison Blake Shelli could never have foreseen how one revised board game was going to change her life forever. It all begins when she's preparing to attend her company's annual dinner and dance party with her best friends, Adrian and Ethan. She gets more than she bargained for when lust hits her right between the eyes the moment she catches them in flagrante delicto. Later, she is tormented by fantasies of threesomes. But how can she risk their long-time friendship for sex? Adrian and Ethan are happy as a couple, but they want Shelli too. After several failed seduction maneuvers, they decide to give it one last try by seducing her with an erotic board game specially designed to set them all afire.
