While I know that writing reviews on hot, in-demand products is one of the best ways to make money as an affiliate, I also know how hard it is to write up a professional review! Good news is that I have done all the hard work for you! Here are the features of each review article of my PLR pack:

1. Each article is thoroughly-researched from MULTIPLE sources, so that you won't find any of the typical "sloppy" review articles in my pack!
2. Each review article is about 300-400 words in length; in fact some of the review articles contain even more than 400 words!
3. A successful product review is one that looks credible. That is why, each review article contains a detailed profile of the product reviewed, such as-
 - a) Name of the product
 - b) Name of the product manufacturer
 - c) Brief background research on the product manufacturer, including the type of customer feedback received by the company on Amazon, contact information of the manufacturer, etc.
 - d) Salient features of the product
 - e) Pros and cons of the product, based on the customer reviews received by the product on Amazon Marketplace (note that customer reviews are not available for a few products, so this section may not be present in some of the review articles)
 - f) Conclusion
4. Each article contains the product's affiliate link at the very top, so all you need to do is to replace the special "AFFNAME" tag with your own Amazon Associates tracking ID. Don't worry, I explain how to do it all at the download page. ;-)

As you can see, I have made the articles very easy to customize. Thus, instead of wasting time in hunting for each individual product's affiliate link, you can spend that time in making money! :D

5. Most of the products reviewed are quite popular under the "Weight Loss" category of the Amazon marketplace! Thus, there is no worrying about throwing money down the drain by promoting a dumb, low-converting product! ;-)
6. Lastly, even though these articles are meant to be used as product review articles, you can use them in many other ways, such as creating an ebook out of them, using them as part of your newsletter content or autoresponder ecourse, submitting

them to article directories, using them as blog content, etc. Be creative, but please be sure to read the plr terms too! ;-)

Sample Article Extract From the Package -----xxxxxxxxxxxxxxxxxxxxx----- Alli Weight-Loss Aid, Orlistat 60mg Capsules, 120-Count Refill Pack Alli is the only over-the-counter weight loss aid that has been approved by the FDA. It works by blocking the absorption of twenty-five percent of the fat you eat at each meal. This fat is undigested and simply leaves your body instead of turning into fat.

Using Alli also helps you learn smart eating habits that will benefit you all your life. If you consume too much fat with a meal - more than Alli recommends - you may experience "treatment effects" which can include loose, hard-to-control stools and flatulence with an oily discharge. The Alli website offers a comprehensive support program and has tips and advice to help you be successful using Alli. SYNOPSIS
