Related styles: FOLK: Alternative Folk, SPIRITUAL: Inspirational People who are interested in Alanis Morissette Ani DiFranco Tori Amos should consider this download. Details: Aviva has been critically acclaimed as a composer since the age of nine. She has since written over a hundred songs, collaborated with all kinds of musicians and artists, and has refined her skills in piano, trumpet, and percussion. Originally from New York, she has lived in Atlanta for over ten years. She enjoys traveling to other cities and is currently getting ready for a tour. The first song she can remember writing was in the back of her parent's station wagon on a road trip. It was about chickens, cows, and whatever else was around! Taking her actual environments, feelings, and responses to these, and putting it to music, is what Aviva does best. Her music is real, passionate, and necessary!
