Today, one of the easiest ways to make money is to create and sell original ideas. Every year, more than 100,000 patents are granted in the U.S., creating a billion-dollar industry for those using intellectual property. With this book, would-be inventors can develop their ideas with low risk and a minimum of investment--without quitting their day jobs! Attorney and patent holder Steve Barbarich takes readers on an exciting journey through the patenting process. From concept to marketable product, there are step-by-step instructions that anyone can follow. This book features important information on: Choosing which ideas to pursue Taking your ideas into the marketplace Prototyping and test marketing Filing the proper forms Protecting your ideas And much more!
