

Mp3 1st San Joe Album - My Savoir

[DOWNLOAD HERE](#)

This another Bay Area Hit Album. Get it while its hot. 18 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Spiritual Rap Details: This is San Joes first solo Christain album. He did a bangin gangster rap album that has been pulled off of the shelf because of his change in direction (Jesus Christ). Just listen to the sound and the words and if you don't want to buy this album then you don't like Gospel or you don't like rap and there is nothing that we can do for ya. But if you do get this album it will effect you greatly and your loved ones as well. GOD gets peoples attention through our albums. And ya cann't beat the price. We aren't tring to get rich just make a difference and do it full time. So I'll leave ya with this. We Hope that GOD blesses you and yours regardless if you buy the album or not. Be sure to check us out at myspace.com/PricePaidRec the go to friends and hit the San Joe Pic. One Love and GOD bless.
