[DOWNLOAD HERE](#)

Restful electronic, ocean divine soundscapes, that work up in on each early and wash over the minder.  
11 MP3 Songs ELECTRONIC: Soundscapes, EASY LISTENING: Mood Music The Sea Songs Details:  
NEWS!!! May-2004 The new album is out now! cdbaby.com/cd/abod2 11 new electronic / synthpop songs  
with lots of vocals and robot voices, total an electro pop CD Find more info and mind to song clip  
previews at the official website at: abod.se Info on "The Sea" The music: synthetic, analog, piano sounds.  
drums and beats in a soft mood. This music is made for everyone, its relaxing and dreamy. The tempo  
varies between 60 and 105 bpm, lots of loops with a heartbeat-rythm feel. There is a sea ocean theme  
through the hole CD that associates with shorelines and water. Theres a need for this kind of music, we  
all search for ways to deal with stress, and this music will help you on the way. The technical: A blue  
ocean dream are using REASON 2.0 music software. No hardware instruments were used !! All songs  
are written performed by the Swedish electronic musician Owe Emfestav, who has been making music  
since the early 80s. Influences are Jean Michel Jarre and Kraftwerk.
