The 10 tracks on this release, are bitter and sweet. They represent the voyages we take in life, either to a concrete location or to a place within. The CD, is named after its first track, showcasing Zoe Jade Austin's strong lyric style and the synchronized rock guitar of Tullio Vacchio. BITTERSWEET's acoustic vibe, inaugurates guitarist Vinnie 'Dean' Del Basso and Kiki Calafell into the Acoustic Poets Network. Paula teamed up with Vinnie on 'THE NIGHT OF THE BLOOMING CEREUS' and Vinnie is the voice of the open mic host on the hysterical spoof 'CUISINART MY HEART.' Kiki Calafell, returns again with her painting for APN's cover art. On this CD, she pairs up with Paula to write 'THE CHILDREN', a somber piece that ponders where missing and lost children may have gone. Mike Sapone, again at the controls, engineered and mixed 'Bittersweet.' His music and the background voice of little feather can be heard on 'OLD TOWN.' Paula and Zoe's spoken word harmonizing on Zoe's 'PRECIOUS MEANTIME' and 'SACRED DRIFT' take you back to their duet days of live performance.
