Melodic solo music played on the Chapman stick. 15 MP3 Songs NEW AGE: Solo Instrumental, EASY LISTENING: Instrumental Pop Show all album songs: Closer Songs Details: Andy Salvanos is a Swedish/American Chapman Stick player living in Australia. CLOSER is his second release of 2007. With the exception of "Waltz for Beatrix" (looping pedal) and "Tranquility" (synthesizer with overdubs), all Chapman Stick parts were played simultaneously in order to capture the essence of a real performance. "Mind your matter" was recorded live over a bass drum beat, while "Chimborazo" was created in real time on effects pedals. Several tracks were recorded as single takes and editing kept to a minimum. You can also buy Andy's debut album FRAGMENTS on CD Baby.
