

# Mp3 Big Spaceship - Dream On

[DOWNLOAD HERE](#)

Melodic electro songs somewhere between New Order, Pink Floyd and AIR. From the people that brought you Australia's acclaimed All India Radio. 14 MP3 Songs ELECTRONIC: Pop Crossover, POP: with Electronic Production Details: Big Spaceship is the new project from Martin Kennedy, the man behind atmospheric instrumental band All India Radio. All fans of All India Radio will have plenty to rejoice here - the ambience and wistful melancholy are abundant - but this time with more synthesisers! Big Spaceship's debut album Dream On is a gentle, electronic mood-enhancer somewhere between New Order and Air with enough lift and joy to fill your ears for months. The album features guest vocals from Glenn Richards from much loved band Augie March and was co-mixed by Michael Paul Stavrou (Siouxsie The Banshees, David Bowie, Kate Bush, Cat Stevens etc). Released in Australia on the Karmic Hit label which is home to Steve Kilbey from the Church, Jack Frost (featuring Grant McLennan from the Go Between) Snog, Soma and many more.
