Performer: Breck Alan has you laughing one moment and absorbed by the intrinsic beauty of his songs the next. Alan sings with such ease, that it's almost easy to forget the talent required to conjure up his characteristic voices. Alan has a knack of drawing listeners in and getting them to identify with his songs.

* Scott Arbough - KBCO FM, Boulder CO: "Breck alan's songs are sung with a conviction often absent in today's music." * Sasha Sessums - The Black Cat, Austin TX: "With my vast experience in the live music industry, I can tell you that Breck Alan's level of talent is rarely matched and his style is entirely original * Don Darue - KTHX Reno NV: "The first time I heard Breck Alan's music, I knew the songs were written for me. Breck has the passion missing from the bulk of music on the radio...and judging by the response from the listeners, a lot of people are hungry for music from the heart." * David Oberman - KUT Austin, TX: "Where the poet meets the drummer, when the songwriter turns to a trip the light fantastic toer, you'll find Breck Alan." * Neil Fatan - The Bluebird Caf, Nashville TN: "Great guitar work and an excellent stage presence." In that setting I play 90 original songs with a cover or two for fun. In other instances where I'm playing two or three sets over a long night I mix it up quite a bit. My covers vary from classic rock to alt rock, old to new, R&B to Jazz, surf to delta blues. I like a wide range of music. Currently all I

need are two direct boxes and a microphone
