Relaxing and sometimes intense rain, thunder and wind sounds. 6 MP3 Songs NEW AGE: Relaxation, NEW AGE: Nature Show all album songs: Saskatchewan Thunderstorm Songs Details: Relaxing and sometimes intense rain, thunder and wind sounds captured in stereo as the storm clouds roll over the poplar covered hills of rural northwest Saskatchewan in early summer, the rainy season. This is the best sounding rain money can buy. Each drop of rain is clearly defined and articulated, with accents of extremely low frequency thunder sounds (watch your woofers) combined with a wash of wind sounds.
