50 Cent is dialing 911 for help because he and the G-Unit are being attacked by D-Sosa. 14 MP3 Songs  
HIP HOP/RAP: Hardcore Rap, HIP HOP/RAP: West Coast Rap Details: D-Sosa is here to show you that  
real recognizes real and fake recognizes fake. D-Sosa does not recognize 50 Cent because 50 Cent is as  
fake as they come. If your favorite rapper is 50 Cent, that means you are fake too. D-Sosa money wise is  
not on 50 Cent's level, but he knows that 50 Cent aka The New Age MC Hammer is no good. Please note  
MC Hammer sold alot of records but was never considered one of the best rap artists. 50 Cent acts like a  
gangsta, but his security is the police (911). So D-Sosa is here to prove that he is realer and better than  
50 Cent and the G-Unit. Other web pages are [cdbaby.com/dsosa](http://cdbaby.com/dsosa) or [cdbaby.com/dsosa2](http://cdbaby.com/dsosa2) or
