

Mp3 Don Richmond - No Man's Land

[DOWNLOAD HERE](#)

Singer-songwriter and multi-instrumentalist (guitar/mando/dobro/fiddle/steel/etc) Don Richmond presents his fifth CD of songs about his high southwest landscape and the lives and people in it - songs of growth and awareness, love and life. 11 MP3 Songs FOLK: Modern Folk, COUNTRY: Country Folk Details: Don Richmond has been a professional performing musician for more than thirty years. Don's multi-instrumental mastery and compelling songwriting has been featured on his five solo CD releases, LPs and CDs as a member of the bands Tumbleweed, Hired Hands, and The Rifiers as well as dozens of recordings he has produced, engineered, and/or played on as a studio musician. Don owns and operates Howlin' Dog Records, which has recorded and released numerous recordings by many local, regional, and national artists. Don has also been an Artist-In-Residence and Aesthetic Institute instructor in Colorado Council of the Arts' Art in Education program. Don recently created and recorded the music for the public television documentary Roy Bedichek's Vanishing Frontier, the independent civil-rights documentary film We Did It All Ourselves as well as the independent short film Hexama, Hexama and is currently celebrating the release of his fifth solo CD No Man's Land. For more information, visit him on the web at donrichmond.com.
