Inspirational R&B/JAZZ 10 MP3 Songs URBAN/R&B: Neo-Soul, JAZZ: Smooth Jazz Show all album songs: Rainy Days Songs Details: Was born in a small country town, went to church ever Sunday Wednesday and Saturday. I was raised by very strict parents and grand parents. I believe that hard work is the key to success. I started playing piano at the age of 10 and the rest is history. I've been working in construction for 25 years and I remain there everyday working 8 hours a day. I want the world to hear my music cause there is a healing message in all my sounds. - Dr.Steven West.
