Scottish folksongs, old and new, with great accompaniment 13 MP3 Songs WORLD: Celtic, FOLK: Traditional Folk Details: The most recent CD from one of the best interpreters of Scottish songs, both old and new. Originally from Edinburgh, Miller has lived the 2nd half of his life in Austin TX and travels USA bringing his strong, satisfying voice, droll humor and great taste in songs to festivals, clubs and Highland Games. As with previous recordings, this CD is produced and played on by musician par excellence Rich Brotherton, along with great contributions from the likes of Brian McNeill on fiddle; E.J.Jones on pipes and whistles; and Karine Polwart Jil Chambless on harmony vocals. It's a real treat !
